Scale  $1/4" = 1'-0"$

Architectural section drawing of a two-story house. The drawing shows the interior layout, including a living area with a fireplace, a kitchen area, and a staircase. The exterior walls are shown with a stone foundation and a gabled roof. Dimensions are provided for various structural elements, including wall thicknesses, floor heights, and roof pitches. A callout indicates a detail for the foundation and wall connection.

Dimensions shown in the drawing:

- 0'-3.34"
- 4'-6"
- 8'-2.10"
- 8'-1.34"
- 0'-2.10"
- 0'-2.10"

Callout: 2 ASK-007a

This architectural section drawing illustrates a two-story residential building with a gabled roof. The structure is divided into three main vertical zones. The left zone features a ground-floor living area with a sofa and a fireplace, and a first-floor bedroom with a bed. The middle zone contains a central staircase and a chimney. The right zone includes a ground-floor living area with a sofa and a fireplace, and a first-floor bedroom with a bed. The roof is gabled, and the interior spaces are defined by walls, windows, and doors. A small circular detail in the upper right corner is labeled '1' and 'ASK - 002'.

This is a detailed architectural section drawing of a two-story residential building. The drawing is oriented horizontally, showing a cross-section of the structure. On the left, there is a large, open living area on the ground floor with a fireplace and a large window. A staircase leads up to a second-floor living area. To the right of the living area is a dining room with a table and chairs, and a kitchen area with a sink and cabinets. The roof is gabled, and there are several windows of different sizes. The drawing uses fine lines to represent structural elements like walls, floors, and stairs, and thicker lines for furniture and fixtures. The overall style is that of a technical architectural drawing.
