Ask to see if all of the products you purchase can be upgraded to be ENERGY STAR® qualified.

**This image indicates that the product selected is qualified in the US ENERGY STAR® climate zone that you have selected.**

Data is current as of February 2014. This data may change over time due to ongoing product changes or updated test results or requirements. Ratings for all sizes are specified by NFRC for testing and certification. Ratings may vary depending on the use of tempered glass or different grille options or glass for high altitudes etc.
